## **Get Up**

## **Barcelona**

Five days after black and red collide.

The motion sickness past, I'll be the first to stand.

Behind that weathered door, I thought it would be safest.

My head is dizzy now, I thought we'd overcome.

We might not make it home tonight.

Crawling on the ash, she's pitiful.

She lost her sense of light; she has to hold my hand.

Had I known we might be two kids without their jackets.

My fear would come alive, I wouldn't love her now.

She might not make home tonight.
