

Haunted By The Ghost Of Patty

Barcelona

there you were beside the bar
singing softly to yourself
i know exactly who you are
bored to death and blown appart
added to the list of dead popstars
haunted by the ghost of patty
smoking filterless cigarettes
calling us square pigs ?
and singing about christmas
there you're hiding in the dark
waiting for a film to start
giving me advice i don't want
haunted by the ghost of patty
smoking filterless cigarettes
calling us square pigs ?
and singing about christmas
feels like i'm being watched
but i'm glad i'm not alone
i'm glad i'm not alone
feels like i'm being watched
but i'm glad i'm not alone
i'm glad i'm not alone
