

# I Know What You Think Of Me

Barcelona

i know all there is to know  
i know everything that i can think about that now  
i've seen all there is to see  
i know what you think of me yeah  
i hear things behind my back  
i read vonnegut and won't look up in calculus class  
i have scrapes on both my knees  
i know what you think of me yeah!

i know all there is to know  
i know everything that i can think about that now  
i've seen all there is to see  
i know what you think of me yeah!
