

## Less Than Two

Barcelona

Today I realized as I went walking  
Hurried past the dark, far away from where I live  
You are all I know, understand now..  
I'm fearful of the night and the things I cannot see  
I can't lose tonight, just watch me fall in line, for you

What are we going to do?  
When all we said was true?  
But it feels like fading out  
There's nothing new  
A choice is all we had  
Will we hold it back  
When it feels like something new and two

Falling through the air, I was smiling  
Not because of love, but the loss it made me blush  
Safe and sound if you, it felt like weakness  
Strength is found in nights, all alone with no curses  
But I won't lose tonight, don't touch me, please nod for me, for you

What are we going to do?  
When all we said was true?  
But it feels like fading out  
There's nothing new  
A choice is all we had  
Will we hold it back?  
When it feels like something new and two
