

# Doctor Doctor

Barclay James Harvest

Doctor Doctor tell me if you can  
What is wrong with me  
I can't seem to find the key  
Doctor Doctor I'm begging on my knees  
Won't you tell me please  
What could be my malady?

When I'm down feeling kind of low  
I don't want to be the last to know  
When I'm down crawling cross the floor  
I don't want to be, I can't stand to be  
The last to know

Doctor Doctor help me through the day  
Give me something natural I can depend on  
Doctor Doctor it's something that I need  
It's a natural panacea  
Like a cure for every fear  
It's some of her sweet love  
Mixed up with her young blood  
True love and devotion  
What a wonderful potion  
Tonight, tonight

Doctor Doctor why am I alone  
Listening to my heart  
Beating through the cold dark night  
Doctor Doctor I'm shaking in the gloom  
Could this be defeat  
Please don't stop, don't miss a beat

When I'm down feeling kind of low  
I don't want to be the last to know  
When I'm down crawling cross the floor  
I don't want to be, I can't stand to be  
The last to know

Doctor Doctor help me through the day  
Give me something natural I can depend on  
Doctor Doctor it's something that I need  
It's a natural panacea  
Like a cure for every fear  
It's some of her sweet love
