

# Mocking Bird

Barclay James Harvest

Rain, sea, surf, sand, clouds and sky  
Hush, now baby don't you cry

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs just for you and me

Rain, sea, surf, sand clouds and sky  
Time will see your tears run dry

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs just for you and me

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird  
Singing songs just for you and me

Rain, sea, surf, sand, clouds and sun  
Bless the tears of love, now gone

There's a mocking bird  
Singing songs in the trees  
There's a mocking bird singing songs  
Singing just for you and me
