

## The Song (They Love To Sing)

Barclay James Harvest

The day begins  
Riding a rainbow  
Bow in her hand  
To drive away  
The night again  
Nothing has changed  
And all around  
People are waking  
King of them all  
Has gone to rest  
He passed the test  
Leaving the stage

Time goes sailing on  
Slowly the crowd will appear  
And into their ears  
The song they'd love to sing forever  
Tomorrows come,  
Tonight lives on for years

The time has come  
Follow the spotlight  
Lighting the scene  
Another world  
The flags unfurled  
Into the sky  
And in the air  
Music is playing  
Ingots of gold  
Fall to the ground  
Creating sound  
Into the night

Time goes sailing on  
Into the light disappears  
And still in the ears  
The song they'd love to sing forever  
Tomorrows come,  
Tonight lives on for years
