HARDCORE, given in to me
I'm taking you out of your low-fi misery
FUCK YOU, you're a waste o' time
Crossing my line with your straight edge sanctity

Drop the preaching dumb FUCK

There is no need to sell your sanctuary round here

Weary head, jelly legs, ready for the undertake?

Sneaking up on your codex fake

Like the EENIE, like the MEANY, like the eenie meany MIND BLOW
Way out of line it's time for your goodbye ho

NO, There's no edge, RIGHT!
