WE DON'T CARE

Why you chose the things that you did  
Don't push your attitude in my face  
Fuckin' emo hustler, crying all night long  
Despite fake tears you're too late

EMO NATION

Nice hair but so depressing  
Hardcore devastation

EMO NATION

Fine art of keeping the tension  
Hardcore devastation

It's not all bad

Cheer up put a smile on your face  
Crying all the time, makes you seem a disgrace  
Parents divorced, your girlfriend split  
A broken heart in crazy outfit

Is the world gone bad?  
Did your dog just die?  
Is your dad not your dad?  
Did your new girlfriend lie?

HARDCORE DEVASTATION
