For What it's Worth

Don't want your interest Don't need your worries, too For what it's worth - no less Giving up on everything I'm leaving it all behind The crucial sacrifice

Bypass Recast Go kiss my fucking ass Last rites - the final blast

Unstable hallowed the restless for evermore Withdrawn immunity These unreliable bonds This lust for lowest low This need for no response Let it go

Back off - my life - my show Out of sight - out of mind - let go

Bypass Recast Go kiss my fucking Ass Witness the final blast Barcode
