

# Love Me No More

Bardot

I toss and turn in bed  
Can't get you out of my head  
Even though you're so far away  
I need you here with me  
Oh boy, why can't you see  
That I can't live without your love  
When I close my eyes  
I think of you  
Well I wish I had you here with me  
But there's nothing I can do, oh oh

R: Counting every day that goes by  
And the tears that I cry (tears that I cry)  
You don't wanna love me no more  
Wish that you could hold me tonight  
I'm hurting inside  
Cause you don't wanna love me  
Cause you don't wanna love me  
Love me no more

I tried to call your phone  
But you ain't been at home  
I need to find out where you are  
So I can make you see  
That you belong with me  
For me there is no other love  
When I close my eyes  
I think of you  
I wish I had you here with me  
But there's nothing I can do, oh oh

R:

All I know is that I can't live without you  
Ooh, but I wanna know  
What made you feel this way  
I'll be right here for you (right here for you)  
And everything that you do (thing that you do)  
But how can I get close to you  
When you don't feel the way I do, ah hah

R:
