

Gonna Walk

Barenaked Ladies

I've been sitting at the border of love,
When dots connect and there's an order above,
And there is no one that can touch me,
When it's the same thing coming again,
I feel I gotta say.

I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
Woah-oh oh-oh-oh-oh-oh,
To the bottom of your hea-aa-aa-aa-aa-art.

Walking hour after hour, if I could,
Use a walking superpower, I would,
Use it just to come and find you,
Then it's the slow and steady again,
Never going away.

I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
Woah-oh oh-oh-oh-oh-oh,
To the bottom of your hea-aa-aa-aa-aa-art.
Woah-oh oh-oh-oh-oh-oh,
To the bottom of your hea-aa-aa-aa-aa-art,
To the bottom of your hea-a-aa-arrrt, aa-arrrt, aa-arrrt.

If It's a puzzle I can solve, I'll find a way,
To find you, I wouldn't mind to,
I will muscle my resolve and every day,
I'm walking away, I'm never gonna stray.

(2x):

I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
I'm gonna walk,
I won't quit,
Until I get,
To the bottom of your heart.
Woah-oh oh-oh-oh-oh-oh,
To the bottom of your hea-aa-aa-aa-aa-art.
