

Hanukkah, Oh Hanukkah

Barenaked Ladies

Oh Hanukkah, Oh, Hanukkah
Come light the menorah
Let's have a party
We'll all dance the hora
Gather round the table, we'll give you a treat
Sevimon to play with lakes to eat

And while we are playing
The candles are burning low
One for each night, they shed a sweet light
To remind us of days long ago
One for each night, they shed a sweet light
To remind us of days long ago
