Hanukkah, Oh Hanukkah

Barenaked Ladies

Oh Hanukkah, Oh, Hanukkah Come light the menorah Let's have a party We'll all dance the hora Gather round the table, we'll give you a treat Sevivon to play with lakes to eat

And while we are playing The candles are burning low One for each night, they shed a sweet light To remind us of days long ago One for each night, they shed a sweet light To remind us of days long ago
