

## Narrow Streets

## Barenaked Ladies

Narrow streets  
Houses all in rows  
Front porch seats  
Watchin' people go  
Woah-oh-oh, woah-oh-ohhhhh wah-oh

And in between  
Dundas and Queen  
Get off that strong  
Spread the blankets on the lawn  
Woah-oh-oh, woah-oh-ohhhhh wah-oh  
Woah-oh-oh, woah-oh-ohhhhh

I think that we  
Could do better if we weren't apart  
I think that we couldn't find a better place to start  
Than in this downtown neighborhood  
Held together by nails and wood  
Where the old folks take their time, I wanna make good time with you

And in the lane  
Rusty garage doors  
There's a hockey game  
And that kid's freaking out 'cause he scored  
Woah-oh-oh, oh-oh-ohhhhh, oh-oh-ohhhhh  
Woah-oh-oh, oh-oh-ohhhhh

I think that we  
Could do better if we weren't apart  
I think that we couldn't find a better place to start  
Than in this downtown neighborhood  
Held together by nails and wood  
Where the old folks take their time, I wanna make good time with you

I wanna climb the roof with you  
I wanna walk the laaaaaaane with you
