Barenaked Ladies

Narrow Streets

Narrow streets Houses all in rows Front porch seats Watchin' people go Woah-oh-oh, woah-oh-ohhhhh wah-oh

And in between Dundas and Queen Get off that strong Spread the blankets on the lawn Woah-oh-oh, woah-oh-ohhhhh wah-oh Woah-oh-oh, woah-oh-ohhhhh

I think that we Could do better if we weren't apart I think that we couldn't find a better place to start Than in this downtown neighborhood Held together by nails and wood Where the old folks take their time, I wanna make good time wit h you

And in the lane Rusty garage doors There's a hockey game And that kid's freaking out 'cause he scored Woah-oh-oh, oh-oh-ohhhhh, oh-oh-ohhhhh Woah-oh-oh, oh-oh-ohhhhh

I think that we Could do better if we weren't apart I think that we couldn't find a better place to start Than in this downtown neighborhood Held together by nails and wood Where the old folks take their time, I wanna make good time wit h you

I wanna climb the roof with you I wanna walk the laaaaaaane with you
