

## Told You So

## Barenaked Ladies

I never jumped in and rescued you,  
but I wanted to  
I didn't tell you which way to go,  
'cause I thought you'd know  
You had a problem with your new found  
wealth, you brought it on yourself  
I never told you I told you so, but I told you so

Have to let it go  
It's time to let it go  
Now I can't believe  
It took so long to leave  
Perhaps one day I'll grieve  
Or I never will

I never told you I agreed with you,  
I don't think I do  
I wasn't sure quite what the whole thing  
meant, but I'm glad you went  
I never thought that it could be painless,  
but it is I guess  
I had myself fooled into needing you,  
did I fool you too?

Have to let it go  
it's time to let it go  
Now I can't believe  
It took so long to leave  
Perhaps one day I'll grieve  
Or I never will

A viral infection that can incubate for years  
Caused by affection fallen deep into arrears  
No medication to procure  
Makes me pure, there's no cure, I am sure

I never mentioned how I've prayed for you,  
and now I've paid for you  
I never said that I would wait for you,  
it's too late for you

Have to let it go  
it's time to let it go  
Now I can't believe  
It took so long to leave  
Perhaps one day I'll grieve  
Or I never will
