

## Colostomy Bag

Bargain Music

Relatively speaking  
Life has been good to me  
There's cash flow in my pocket  
And the girlies come regularly  
I don't like to shit in public  
Even though the smell doesn't bother me  
And the only problem is my friends  
A bag called colostomy

I have a colostomy bag  
It's underneath my jeans  
I get real mad when it starts to sag  
Cause then you know there's more to me

I tried to call Miss Lucille Ball  
Cause I know she'd give me clemency  
But the newspaper said  
I love lucy is dead  
So it's just me and my colostomy

Woohoo

You gotta pretty mouth boy  
Squeal like a bitch  
Squeal like a bitch boy
