

# Head Over Heels

Bargain Music

I wanted to be with you alone  
And talk about the weather  
But traditions I can trace against a child in your face  
Won't escape my attention

You keep your distance with a system of touch and gentle persuasion  
I'm lost in admiration do I miss you this much?  
Oh you're wasting my time, you're just, just, just wasting time

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah don't break my heart, don't take my heart  
Don't, don't, don't throw it away  
Throw it away, throw it away

I made a fire and watching you burn  
I thought of your future  
With one foot in the past now just how long will it last  
Don't you have no ambition  
My mother and my brothers used to breathe in clean air  
And dreaming I'm a doctor  
It's hard to be a man when there's a gun in your hand  
Oh I feel so

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah don't break my heart, don't take my heart  
Don't, don't, don't throw it away  
Throw it away

This is my four leaf clover  
This is my four leaf clover  
Funny how  
Time flies
