

No Free Whiskey

Bargain Music

No free whiskey
And there's no freedom
There's no free work
And there's no free ride
You gotta want love to want me
You gotta want love to want me
Cause there's no free love

Where do you go when they won't take you in hell
Where would you go when they don't have you
My time is over
I'm a dead man walking
Wouldn't have me in hell
And I wouldn't try heaven
Take a step back
Take a step back baby and leave me alone
Where do you go when they won't take you in hell
Where would you go when they don't have you

No free whiskey
And there's no freedom
There's no free parking
And there's no free ride
You gotta want love to want me
You gotta want love to want me
Cause there's no free love
