

Ween Medley

Bargain Music

Baby what have I done
Gone and left you all alone
It's hard for me to sing this song
We've been together for so long
Think I know what my souls got to say
It won't hurt as bad some day
It's gonna be alright oh baby
Oh it's gonna be alright love
And if the mist ever lets the sun through
I'll just hope I did the right thing for me and you

I guess I'm ruled by my heart
Built a life and I tore it all apart
It's just not our time
But you'll find a new love and you'll be fine
So many dark and lonely nights
But I believe some day I'll see the light
It's gonna be alright oh baby
Oh it's gonna be alright love
And if the mist ever lets the sun through
I'll just hope I did the right thing for me and you
It's gonna be alright oh baby
Oh it's gonna be alright love
And if the mist ever lets the sun through
I'll just hope I did the right thing for me and you
Mmm me and you

Last time I saw you I was holding your hand
And I couldn't wait for you to leave me
I knew right then that it was over and done
And I couldn't believe that I was free
Help me now I'm going down and I don't know if I'll be okay
I'll be around
I'll be in town
If you need a place to stay

When the wind blows and there's a chill in the air
I hope there's someone who's taking care of you
I'm alright ya I'm really okay
Just so you know I'm always there for you
Help me now I'm going down and I don't know if I'll be okay
I'll be around
I'll be in town
If you need a place to stay

Mike custet and me with mamogra made three
Went out to joshua tree with a sack of long beach hot wings
When we got there they were cold
Not as good as when they are old
But my homeboy still was sold cause I still had all my favorite lps
Take this ache as a final break
Tender situation create a good illusion
Feel the grip of your salvation
Ya dude this is really a tender situation
Get off the pot man shake and bake
Taste the waste boy taste the waste
Pump it up or stray from that old station

Ya dude this is really a tender situation
What is my case in your glorification
Ya dude this is really a tender situation
Get off the pot man shake and bake
Taste the waste boy taste the waste
Pump it up or stray from that old station
Ya dude this is really a tender situation mmm

Tender situation
Take this ache as a final break
Tender situation create a good illusion
Get off the pot man shake and bake
Ya this is really a tender situation
What is your case in my glorification
Ya dude this is really a tender situation mmm
