

No More Blues

Barnabas

Well I've got somethin'--- mean to tell you I've got somethin'
I wanna lay on you right now
I mean to tell you that I've got somethin' I mean to tell you
I've got somethin'
I wanna lay on you right now
There's a lotta people saying' they've got the blues
An' how they're tired of payin' all of them dues
Hey baby--- got somethin' I wanna lay on you lay on you right n
ow

Well you can take it how you want to
It's up to you to open up that door
But Jesus Christ gave His life so that you could live
Ahh don't you know it was you He died on that cross for
Well, I've given my life to Jesus
And I want to tell you that I ain' t got those blues no more
Well you can try an' try an' try
To find just a little bit of happiness to keep you goin'
But I just gotta tell you somethin' that you ain't gonna find n
othin'
You ain't gonna find nothin' in this world
Worth lookin' for
But you can give your life to Jesus
He' ll take away all the pain and all the emptiness inside
And you won't have to have those blues no more
