Big Barrington Levy in the house with the gigantic Guru

As we do this one for the ladies

I don't wanna [x2] (Come on)

I don't wanna lose you

I don't wanna I don't wanna I don't wanna lose you

Ohho she's the one for me

Fly sexy girl she's the one for me

Ohho she's the one for me

My pure ghetto princess

Ohho she's the one for me

Didn't (didn't I) I blow your mind, that's right

Didn't (didn't I) make you shine, true

Didn't (didn't I) make you mine, that's right

Cause I don't wanna I don't wanna lose you

I don't wanna I don't wanna I don't wanna lose you

Ohho she's the one for me

Ghetto princess she's the one for me

Ohho she's the one for me

The lover of my life she's the one for me

I took her out the club just to show her love

She said; there's no-one above

And right after we rubadub

All alone at her rest

She placed my head to her chest

She said I was the best, God bless

I like the way she's on-point

Turnin' heads every time when she steps in the joint

Ohho she's the one for me, that's the girl for me

Ohho she's the girl for me, sexy girl she's the girl for me

Ohho she's the one for me

Fly sexy mama she's the one for me

I don't wanna I don't wanna lose her

I don't wanna I don't wanna I don't wanna lose her

Ohho she's the one (girl) for me

Pure ghetto princess she's the one (girl) for me

The sexy mama she's the one for me
