

Black Amour

Barry Adamson

Come closer. "Do you like that?"
Right here, beside me. "Beautiful!"
I have this incredible need
And the need is for you to experience
Black amour. Black amour.

You want a piece of that action?
Well then you call me,
Satisfaction Jackson.
If I ain't horny,
It's because I'm in traction.

'Cause the deeper you go
The funkier it gets.

Black amour. Black amour.
I want you, I need you, I love you.
Black amour.
I need you, I love you, I want you.
Black... hold my freaking hand.
I want you, I love you, I need you.
Black amour.
I need you, I love you, I want you.
Black amour.
Love you, need you, want you.
Black amour.
