

# Drown On The River

Barry Gibb

I'm gonna scratch my head  
About the night before  
I'm gonna get high  
Til I hurt no more

Feed the demon somethin' everyday  
You know I'm gonna drown on the river anyway

Aces high on my shoulder  
Silent storm is what you need  
Fame and fortune is mine  
Just maybe in my time  
I'll go rollin' on the river if you please

Take your stand  
And see it through  
Feel the game  
That you must play

Got my bad reputation  
Not my mode of operation  
When you're flowin' on the river anyway

Wanna be a dead man  
I can't leave the last town  
Raise me with your right  
Or bring me to my knees

Call me in the mornin'  
A little bit of fame and glory  
When you drown in the river  
Just like me

I ain't seen the sun  
Since I don't know when  
And only got notes  
Where I have been

Gotta feed the fire  
Or somethin' everyday  
You know I'm gonna drown on the river anyway

Put your hand on the Bible  
Live or die on what you say  
Fame and fortune is mine  
I been a wastin' all my time  
I'm goin' down on the river anyway

Fame and fortune is mine  
Been wastin' all my time  
I'll go down on the river anyway

Gonna go down  
Gonna go down  
Gonna fall at your feet your mine  
Down on the river  
Down on the River
