

## In the Now

Barry Gibb

In the Now  
You're the epitome of innocence  
You're only my destination  
And all I think about is yesterday  
I need you here in the now  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now

I said it baby all my life is so wrapped in you  
And I can only wish  
That you could feel the way I do  
I found a love  
And I can't get enough  
To have you suddenly  
Standing right in front of me

I may be lonely but I'm not alone  
And we don't need conversation  
I'm only happy when I hear you move  
You speak the pleasure within  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now

We claimed that summer darling  
You began to slowly bend my will  
Love is the game  
We go not shame  
And time is standing still

All my life  
I never felt this way before  
Learning what I never knew  
You are what I'm searching for  
In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now

This is the story of what it might have been  
It's just my imagination  
I made it up  
Instead of giving in

I may be crazy but I'm not alone  
I call it intoxication  
They say tomorrow is another day  
I'm only here in the now

In my heart  
In my soul  
In the now  
In my heart  
In my soul  
In the now

I may be lonely but I'm not alone  
And we don't need conversation  
I'm only happy when I hear you move  
You speak the pleasure within

You're the epitome of innocence  
You're only my destination  
And all I think about is yesterday  
I need you here in the now

I may be lonely but I'm not alone  
And we don't need conversation  
I'm only happy when I hear you move  
You speak the pleasure within
