

Alone Together

Barry Manilow

Alone together, beyond the crowd
Above the world, we're not 2 proud
To cling together, we're strong
As long as we're together

Alone together, the blindin' rain
The starless night, were not in vain
For we're together & what is there
To fear together

Our love is as deep as the sea
Our love is as great as a love can be
& we can weather the great unknown
If we're alone together
