

## Alone Together

Barry Manilow

Alone together, beyond the crowd  
Above the world, we're not so proud  
To cling together, we're strong  
As long as we're together

Alone together, the blinding rain  
The starless night, were not in vain  
For we're together & what is there  
To fear together

Our love is as deep as the sea  
Our love is as great as a love can be  
& we can weather the great unknown  
If we're alone together
