Arthur's Theme (Best That You Can Do)

Barry Manilow

Once in your life you find her Someone that turns your heart around And next thing you know you're closing down the town Wake up and it's still with you Even though you left her way across town Wondering to yourself, "Hey, what've I found?"

When you get caught between the Moon and New York City I know it's crazy, but it's true If you get caught between the Moon and New York City The best that you can do The best that you can do is fall in love

Arthur he does as he pleases All of his life, he's mastered choice Deep in his heart, he's just, he's just a boy Living his life one day at a time And showing himself a really good time Laughing about the way they want him to be

When you get caught between the Moon and New York City I know it's crazy, but it's true If you get caught between the Moon and New York City The best that you can do The best that you can do is fall in love
