

# Dancing In The Dark

Barry Manilow

Dancind in the dark  
Till the tune ends where dancing in the dark  
And it soon ends we're waltzing in the wonder of why we're here  
Time hurries by were here and gone  
Looking for the light  
Of a new love to brighten up the night  
I have knew love and we can face the music together

Dancing in the dark  
What though love is old  
What though song is old  
Though them we can be young  
Hear this heart of mind  
Make your's part of mind  
Dear one tell me that we're one  
We're waltzing in the wonder of why we're here  
Time hurries by we're here and gone  
We're looking for the light  
Of a new love to brighten up the night  
I have knew love and we can face the music together
