

Dancing In The Dark

Barry Manilow

Dancing in the dark
Till the tune ends where dancing in the dark
And it soon ends we're waltzing in the wonder of why we're here
Time hurries by were here and gone
Looking for the light
Of a new love to brighten up the night
I have knew love and we can face the music together

Dancing in the dark
What though love is old
What though song is old
Though them we can be young
Hear this heart of mind
Make your's part of mind
Dear one tell me that we're one
We're waltzing in the wonder of why we're here
Time hurries by we're here and gone
We're looking for the light
Of a new love to brighten up the night
I have knew love and we can face the music together

Dancing in the dark
Dancing in the dark
Dancing in the dark
