

Hey Mambo

Barry Manilow

Nobody knew who he really was
But they called him Mambo when he played

He became the King
King of Latin Swing

And oh, the music that he made
Hey Mambo
Did your mama teach you that
Hey Mambo
Did she know what she begat

They used to come in their fancy threads
And he always turned them inside out

They would jam the floor

They would beg for more

And when they got it they would shout

Hey Mambo
Did your mama teach you that
Hey Mambo
Did she know what she begat

Take it away
Hey Mambo
Did your mama teach you that
Hey Mambo
Did she know what she begat
Take it away
Do it again
Hey Mambo
Hey Mambo
Hey Mambo
Hey Mambo
