I'm Gettin' Sentimental Over You

Barry Manilow

I'm gettin' sentimental over you Things you say and do Just thrill me through and through I'm gettin' sentimental over you I thought I was happy I could live without love Now I must admit Love is all that I'm thinking of Won't you please be kind And just make up your mind That you'll be sweet and gentle Be gentle with me Because I'm sentimental over you Now I must admit Love is all that I'm thinking of Won't you please be kind And just make up your mind That you'll be sweet and gentle Be gentle with me Because I'm sentimental over you
