

I Write the Songs

Barry Manilow

I've been alive forever
And I wrote the very first song
I put the words and the melodies together
I am music
And I write the songs

I write the songs that make the whole world sing
I write the songs of love and special things
I write the songs that make the young girls cry
I write the songs, I write the songs

My home lies deep within you
And I've got my own place in your soul
Now when I look out through your eyes
I'm young again, even tho' I'm very old

I write the songs that make the whole world sing
I write the songs of love and special things
I write the songs that make the young girls cry
I write the songs, I write the songs

Oh, my music makes you dance and gives you spirit to take a chance
And I wrote some rock 'n roll so you can move
Music fills your heart, well that's a real fine place to start
It's from me, it's for you
It's from you, it's for me
It's a worldwide symphony

I write the songs that make the whole world sing
I write the songs of love and special things
I write the songs that make the young girls cry
I write the songs, I write the songs

I write the songs that make the whole world sing
I write the songs of love and special things
I write the songs that make the young girls cry
I write the songs, I write the songs

I am music and I write the songs
