

## Leavin' in the Morning

Barry Manilow

I tried to tell you there's trouble on the way  
I lost the feeling that I once had  
But when I held you there was nothing I could say  
I couldn't bare to see you hurt so bad

So I'll be leaving in the morning  
Wishing that I could stay  
And though I'll miss you every morning  
It's the only way  
So I'll be leaving in the morning  
But how can I tell you why  
I never gave you any warning  
And now I don't know how to say goodbye

I tried to tell you there was something that I miss  
Something I couldn't dare to find with you  
But I was blinded by your love every time we kissed  
Afraid I never find a love so true

So I'll be leaving in the morning  
But how can I tell you why  
I never gave you any warning  
And now I don't know how to say goodbye

I waited too long but now I see  
It's no good for you, it's no good for me  
You can't see it now  
But one day you'll know I just had to go  
Oh, oh, oh, oh

So I'll be leaving in the morning  
Wishing that I could stay  
And though I'll miss you every morning  
It's the only way  
So I'll be leaving in the morning  
But how can I tell you why  
I never gave you any warning
