

## Looks Like We Made It

Barry Manilow

There you are  
Looking just the same as you did last time I touched you  
And here I am  
Close to getting tangled up in side the thought of you  
Do you love him  
As much as I love her  
And will that love be strong  
When old feelings start to stir

Looks like we made it  
Left each other on the way  
To another love  
Looks like we made it  
Or I thought so till today  
Until you where there everywhere  
And all I could taste was love the way we made it

Loves so strange  
Playing hide and seek with hearts and always hurting  
And we're the fools  
Standing close enough to touch those burning memories  
And if I hold you  
For the sake of all those times  
Love made us lose our minds  
Could I ever let you go

Woh no we made it  
Left each other on the way  
To another love  
Looks like we made it  
Or I thought so till today  
Until you where there, everywhere  
And all I could taste was love the way we made it  
Ohhhhh we made it

Looks like we made it  
Left each other on the way  
To another love  
Looks like we made it  
Or I thought so till today  
Until you where there, everywhere  
And all I could taste is love the way we made it  
Looks like we made it  
Woh babe we made it
