

Mandy

Barry Manilow

I remember all my life
Raining down as cold as ice
Shadows of a man
Face through a window
Crying in the night
The night goes into

Morning, just another day
Happy people pass my way
Looking in their eyes
I see a memory
I never realized
How happy you made me

R: Oh, Mandy, well you came and you gave without taking
But I sent you away
Oh, Mandy, well you kissed me and stopped me from shaking
And I need you today, oh Mandy

I'm standing on the edge of time
I walked away when love was mine
Caught up in a world
Of uphill climbing
Tears are in my eyes
And nothing is rhyming

R: ... And I need you today, oh Mandy

Yesterday's a dream, I face the morning
Crying on a breeze, the pain is dawning

R: ... And I need you!
