Moments to Remember

Barry Manilow

The New Year's Eve we did the town The day we tore the goal post down We will have these moments to remember

The quiet walks, the noisy fun The ballroom prize we almost won We will have these moments to remember

Though summer turns to winter And the present disappears The laughter we were glad to share Will echo through the years

When other nights and other days May find us gone our separate ways We will have these moments to remember

(The drive in movie where we'd go) (And somehow never watched the show) We will have these moments to remember

Though summer turns to winter And the present disappears The laughter we were glad to share Will echo through the years

When other nights and other days May find us gone our separate ways We will have these moments to remember
