

My Eyes Adored You

Barry Manilow

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far

Carried your books from school
Playin' make-believe you're married to me
You were fifth-grade, I was sixth
When we came to be

Walkin' home every day
Over Barnegat Bridge and Bay
Till we grew into the me and you
Went our separate ways

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far

Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone
Made myself a name

Funny I seemed to find
That no matter how the years unwind
Still I reminisce 'bout the girl I miss
And the love I left behind

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far

My eyes adored you
