

## My One and Only Love

Barry Manilow

The very thought of you makes my heart sing  
Like an April breeze on the wings of Spring  
And you appear in all yo splendor  
My one and only luv

The shadows fall and spread their mystic charms  
In the hush of night while you're in my arms  
I feel yo lips so warm and tender  
My one and only luv

The touch of yo hand is like heaven  
A heaven that I've neva known  
The blush on yo cheek whenever I speak  
Tells me that you are my own

You fill my aching heart with such desire  
Every kiss sets my soul on fire  
I give myself in sweet surrender  
My one and only luv
