

The Long And Winding Road

Barry Manilow

The long and winding road
That leads to your door
Will never disappear
I've seen that road before

It always leads me here
Lead me to your door

'Cause the wild and windy night
That the rain washed away
Had left a pool of tears
Crying for the day

Why keep me waiting here?
Let me know the way
Show me the way
Show me the way

Many times I've been alone
And many times I've cried
Anyway, anyway you'll never know
The many ways I've tried

Still they lead me back
To the long and winding, winding road

You left me standing here, darlin'
Yes, that was long time ago now
And [Incomprehensible]
And I [Incomprehensible]

Wantin' and wantin' to keep me waiting here
Lead me to your door

Lead me to your door
You ought to take me home with you tonight, baby
Take me home, yeah
Amen
