

# We Still Have Time

Barry Manilow

Before the laughter ended  
You were a part of me  
Why did I ever let the distance grow  
When there is still so much of you  
I need to know  
But we still have time  
Time to try  
Yes, we still have time  
Before the chance  
Passes by

We've got to take it  
And maybe stumble and fall  
But we still have time  
To have it all

I don't have all the answers  
I don't know where we'd start  
I don't know how  
We'd try to find a way  
I only know  
That now I need to hear you say  
That we still have time  
Time to try  
Yes, we still have time  
Before the chance  
Passes by

We've got to take it  
And maybe stumble and fall  
But we still have time  
To have it all

We've got to take it  
And maybe stumble and fall  
But we still have time  
We all have time  
Yes, we still have time  
To have it all
