

When I Need You

Barry Manilow

When I need you
I just close my eyes
And I'm with you
And all that I so want to give you
It's only a heart beat away

When I need love
I hold out my hands
And I touch love
I never knew there was so much love
Keeping me warm night and day

Miles and miles of empty space
In between us
A telephone can't take the place of your smile
But you know I won't be traveling forever
It's cold out, but hold out
And do like I do

When I need you
I just close my eyes
And I'm with you
And all that I so want to give you
It's only a heart beat away
It's not easy when
The road is your driver
Honey that's a heavy load that we bare
But you know I won't be
Traveling a life time
It's cold out but hold out
And do like I do
Oh I need you

When I need love
I hold out my hands
And I touch love
I never knew there was so much love
Keeping me warm night and day

When I need you
I just close my eyes
And you're right here by my side
Keeping me warm night and day
I just hold out my hands
I just hold out my hands
And I'm with you
And all that I want to give you
It's only a heart beat away
