

Where Do I Begin?

Barry Manilow

Where do I begin to tell the story
Of how great a love can be
The sweet love story that is older than the sea
The simple truth about the love she brings to me

Where do I start
With her first hello
She gave new meaning to this empty world of mine
They'll never be another love another time
She came into my life and made the living fine

She fills my heart
She fills my heart with very special things
Angel songs and wild imaginings
She fill my soul with so much love
That any where I go I'm never lonely
With her around who could be lonely
I reach for her hand
She's always there

How long does it last
Can love be measured by the hours in a day
I have no answers now
But this much I can say
I know I'll need her until the stars all burn away
And she'll be there

How long does it last
Can love be measured by the hours in a day
I have no answers now
But this much I can say
I know I'll need her until the stars all burn away
And she'll be there
