

Wine Song

Barry Manilow

Oh isn't it beautiful?
Gimme more wine, girl
I need another drink of that wine
Oh isn't it beautiful?
Gimme another little taste of that good life
Yeah

Isn't it better
Layin' under the starlight?
Everything feels so good
Isn't it better
When you're off and it's all right?
Everything's out of sight

Isn't it beautiful
Isn't it beautiful
Isn't it beautiful
Isn't it beautiful
And don't you see it's so good knowin'
Exactly where you want to be yeah

Oh isn't it beautiful?
Gimme a blanket
I need a little warmth in my bed
Oh isn't it beautiful?
Let's have another little puff on the peace pipe
Yeah

Isn't it better
Layin' under the starlight?
Everything feels so good
Isn't it better now
When you're off and it's all right?
Everything's out of sight

Isn't it beautiful
Isn't it beautiful
Isn't it beautiful
Isn't it beautiful

And don't you see it's so good knowin'
Exactly where you wanna be yeah
