

Better Love Is

Barry White

The better love is the worst it is when it's over
Baby, don't bother to love me like you do
The better it is the worst it is when it's over
If I had known I'd never would
Never let you love me so good, no, baby

Sometimes I wish I'd have never met you
You're so much better than all the rest
And that's why I know I could never forget you
Where do you go once you know you've had the best

The better love is the worst it is when it's over
Baby, don't bother to love me like you do
Like you do, like you do
The better it is the worst it is when it's over
If I had known I'd never would
I never let you love me so good, no, baby

I love you more than I've loved anyone
Couldn't love you better if I tried
That's why I just can't be with anyone
It makes me feel so empty and sad

Better love is the worst it is when it's over
Baby, don't bother to love me like you do
The better it is the worst it is when it's over
If I had known I'd never would
I'd never let you love me so good

The better love is the worst it is when it's over
Baby, nobody could love me like you do
The better it is the worst it is when it's over
