

# I Belong To You

Barry White

I belong to you  
For as long as you want me to  
I belong to you  
For as long as you want me to

In love with you  
I'll always be  
Forever true  
Till you set me free

Please don't you worry  
About all the guys around  
They can't sweet talk me  
They can't put you down

And nothin' they could say  
My darlin', in the way  
All that I want I've got  
All I can think of  
Is only you, love

I belong to you  
For as long as you want me to  
I belong to you, baby  
For as long as you want me to

There's no love  
Like what we've known  
Everything is right  
We can't go wrong

Girls don't bother me  
No matter what they do  
Any fool could see  
Baby, I've got you

I may not be the best  
But I ain't seen no one yet  
All I can think of  
Is only you, love

I (Oh, baby, oh, baby, oh, baby) belong to you (My baby)  
For as long as you want me to  
I belong to you (Oh, baby, baby, baby)  
For as long as you want me to

I belong to you  
For as long as you want me to  
I belong to you (My baby)
