I'll Do for You Anything You Want Me To

Barry White

Nothin' and nobody Baby, could ever take or stop The love that I have for you It's very simple, you see it's Baby, it's real It's so, so real What I feel

I'll do for you anything you want me to You're my world, my hopes and dreams Without you, girl, it don't mean a thing For you I'll do anything you want me to You're my world, my hopes and dreams Without you, girl, it don't mean a thing

I never thought that I would be knowin' The kind of love that you have been showin' The way you do the beautiful things you do You really know how to make me love you

Uh, ah, can't you see I want it Ooh, uh, girl, I've been lon-lonely Ooh, ooh, got to, got to hold you Ooh, ooh, got to make love to you

Can't you feel the fire I'm burnin' up from one desire The thrill from loving you I can't help myself, I swear it's true

I'll do for you anything you want me to You're my world, my hopes and dreams Without you, girl, it don't mean a thing For you, girl, I'll do anything you want me to You're my world, my hopes and dreams And without you, girl, it don't mean a thing

I never thought that I would be feeling Love so strong for so long and still willin' To give you all the love I've got to give For as long, as long as I'm chilling

Uh, ah, can't you see I want it Uh, uh, girl, I've been lon-lonely Ooh, ooh, now I got to hold you Ooh, ooh, gonna make love to you

Girl, I'll go insane If you ever take The love I feel for you I can't help myself, I swear it's true

I'll do, girl, for you anything you want me to You're my world, my hopes and dreams Without you, girl, it won't mean a thing No, no No, no, no, no, no No, no Uh...

I'll do, girl, for you anything you want me to You're my world, my hopes and dreams Without you, girl, it don't mean a thing For you I'll do
