

I'm on Fire

Barry White

I'm On Fire

It's no surprise, the way I feel
When you look at me I know your love is real
I never thought that I could feel this way

And I'm on fire, baby fire
I can't believe it's happening to me
I'm on fire, baby I'm on fire
And I will love you endlessly

You touched my heart, you touched my soul
You took this half a life and made it whole
When we make love I lose control ohh

Cause I'm on fire, baby I'm on fire
I can't believe it's happening to me
I'm on fire, baby I'm on fire
And I will love you endlessly

I hope that I will make you understand
How very much you mean to me
And the day we met, my life began
Because your love has set me free

Fire, fire, fire... fire, fire

I hope that this will never end
Cause I will never find a love like yours again
And I'll feel this way until the end

Cause baby I'm on fire, baby I'm on fire
I can't believe it's happening to me
I'm on fire, baby I'm on fire
And I will love you endlessly
Cause I'm on fire, baby I'm on fire

Fire, fire, fire... fire, fire
Fire, fire, fire... fire, fire
Fire, fire, fire... fire, fire
