I've Got So Much to Give

Barry White

Don't do that Baby, please don't do that What are you cryin' for ? Is it because you're sad, or mad Or nothing's gonna go wrong ?

Sometimes we feel inside of us that That everythin' we have is, only here for today But every now and then two people get lucky And find that certain thing that makes them wanna Just keep it, just keep it that way

I don't want you to feel that That you have to go through These changes when Knowin' no way

I know that, our love is different Our lives will be different Trust me baby, trust me

Now, that I'm here, no more tears Come here, come here And you won't find, things That broke your heart And blew your mind Not here, no, not here

And my, oh, my Girl, can't you see, can't you see that I I've got so much to give to you, my dear It's gonna take a lifetime, it's gonna take years

To you my dear I've got so much to give It's gonna take my lifetime It's gonna take years and years And years and years

And I'll fill you in your hopes and dreams Believe me, girl, you got everything Right here, right here No one could offer you more Than the love I have for you in store It's here, oh, oh, yeah

And my, oh, my Honey, can't you see, can't you see that I I've got so much to give to you my dear It's gonna take a lifetime, it's gonna take years

To you my dear I've got so much to give It's gonna take my lifetime It's gonna take years and years And years and years

Believe me, baby We've found that certain thing That certain feeling That lets two people Express themselves, how they feel Let your love flow inside of you Don't be afraid, don't be afraid, baby
